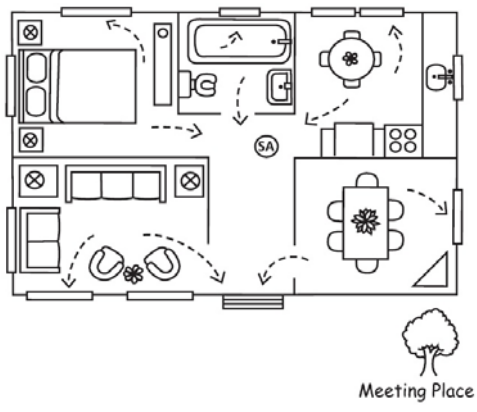
Home Fire-Escape Plan

Red River Mutual
LOSS PREVENTION PROGRAM

USE THE SPACE BELOW TO CREATE YOUR HOME FIRE-ESCAPE PLAN



- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke detectors with (SA). Smoke detectors should be on every level of your home. Make sure there is a detector outside every sleeping area.
- Pick a family meeting place outside where everyone can meet.
- Remember, practice your fire-escape plan at least twice a year!

Grown-ups: Children don't always awake when the smoke detector sounds. Know what your child will do before a fire occurs.
